Overview

This is a club for 3rd thru 6th Graders. We work on elements of acting, using improvisation, skits, warm-up exercises and movement games.

- ◆ Parents Permission to attend Drama Club is needed. Parents need to read all the information before signing and giving their consent for the students participation. There is no 3:15pm bus on Wednesday's . This means all participants have to be picked up by a parent or designated adult.
- ◆ This year the big opportunity to demonstrate the Drama skills learned will be the Musical Production. The lines and songs for try-outs will be passed out at the end of November.
- ◆ Try-outs will be in December before Winter Break.
- ◆ Practice will increase to 3 days a week the 5 weeks leading up to the performance and to **every day the last 2 weeks** for lighting/props & staging.
- ◆ This is a **big** commitment and it is advisable that before auditions for the Musical it should be understood that **leads will be required to attend all rehearsals** including extended times in the last week before the production in April. This may include, but is not limited to, Sports, Gymnastics, Church Activities, Dance Classes and the like.

Please discuss this with coaches & teachers before try-out.

- ◆ Performance dates will be announced soon.

Looking forward to this year of discovery and growth,
Mrs. Belt
